

SW 3800KD TRAILER

Single or dual axle agricultural trailer setup suitable for towing behind a tractor, be it for row crops, vineyards or orchards.
Set up with our largest machine, the SW3800KD trailer is what you've been waiting for in terms of weed killing productivity.

Multiple tractor hitch options: 3 point connection, tow-ball or tow-pin. SW2800H model available with PTO powered pump and generator, suitable for tractors with PTO 10hp or greater

Upto 5000L water tank

3x Vegetech 120 with hydraulic lift and folding boom with parallelogram tracking for row-crops

Over-vine boom with 4x Rowtech55 for under-vine weed treatment for the viticulture sector

High clearance wheels available as option for deep wheel furrow grow-beds. Ground clearance up to 500mm/20"

Orchard model shown with 2x Orchard90 with link arm mounted Rowtech55
